

2022 Election Cycle Report

Letter from the chair

Greetings to our EMD Serono PAC Supporters!

As we embark on a new year, I am grateful to have the opportunity to reflect on the successes and challenges of the past election cycle and to look to our shared future.

Healthcare access continues to be under a microscope in Washington and EMD Serono has a strong story to tell to illustrate the value of our industry. Your generous support of EMD Serono PAC has helped us to support candidates who value our industry so as to advance the needs of the patients we serve.

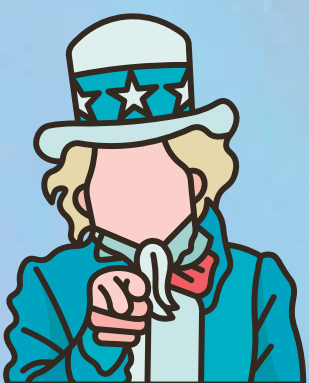

Your passion for creating, prolonging, and improving lives is tangible and compelling. Through the PAC, we are able to share that passion with candidates who recognize the importance of the work we do.

Thank you very much for your engagement in 2022 and for your continued support of the EMD Serono PAC.

As we plan for the 2024 elections, your continued participation in the PAC is critical to making our voice heard in Washington. I encourage you to read through the EMD Serono PAC 2022 Cycle Report and pause to reflect on all that we accomplished. I look forward to working alongside you in 2023.

Sincerely,
Chris Round
EMD Serono PAC Chair
President, EMD Serono
